

PRESENTER'S SPEECH

Jordan Avery — From Overlooked to Overbooked: The 90-Day Authority Webinar — Word for Word

Pacing: ~130 words per minute. Read at a comfortable, conversational pace. **[PAUSE]** marks a beat, one to two seconds. **[BREATHE]** marks a longer pause. Read this text aloud, not quickly; let each idea land before moving.

WORD-FOR-WORD SPEECH

Slide 1 [WELCOME]

Hello and welcome, everybody.

[PAUSE]

Congratulations on taking the first step just by being here. I mean that. You could be doing a hundred other things right now, and instead you showed up for your future.

So before we go one inch further, do me a favor. Drop in the chat where you are watching from today. Go ahead, I will wait.

[BREATHE]

Quick housekeeping. Stay to the very end, because what I save for the last ten minutes is the part nobody else will give you for free.

Slide 2 [IS THIS YOU?]

Let me tell you exactly who this is for.

This is for the person who is genuinely good at what they do, and is quietly furious that the world has not noticed yet. If you are nodding right now, you are in the right room.

[PAUSE 2 SECONDS]

And if you are just curious, that is fine too. Stay. Steal everything.

Slide 3 [I WAS EXACTLY WHERE YOU ARE] OWNER PROMPT

Five years ago I was the best-kept secret in my whole industry. Talented, broke, and invisible.

(OWNER: say the one true detail about your lowest moment here, in your own words.)

[PAUSE]

And then one Tuesday something broke open for me, and I want to give you that exact moment today.

Slide 4 [THE BIG PROMISE] HOOK REFRAIN

Here is the one thing I need you to believe before you leave today. It is not that you need more talent. It is not that you need more time.

[PAUSE 2 SECONDS]

It is that you are one decision away from being seen.

Say it with me. You are not behind. You are one decision away.

Slide 5 [SECRET ONE: THE VEHICLE]

So let me hand you the framework. I call it the Authority Loop, and it has three moves.

Move one. Pick one painfully specific person to serve. Not everyone. One. Because the riches really are in the niches, and the fastest way to be ignored is to talk to everybody at once.

Slide 6 [IT WORKS FOR PEOPLE LIKE YOU] OWNER PROMPT

Let me show you it is not just me.

(OWNER: share one real client win with the actual number and the actual timeframe.)

Same framework. Ordinary person. Extraordinary result. That could be your story ninety days from now.

Slide 7 [EVERYTHING YOU GET]

So here is everything you get when you join the 90-Day Authority program.

You get the full Authority Loop course. And you get the live coaching calls. And you get the swipe library. **(OWNER: confirm the real stack and the real value of each.)**

Add it all up and the honest value is well into five figures.

Slide 8 [YOUR INVESTMENT TODAY] PRICE DROP

Now here is what I want you to notice. You showed up. You stayed live with me. That matters, and I am going to honor it.

You will not pay the full value today.

[PAUSE 3 SECONDS]

Because you are here live, it is a fraction of that.

(OWNER: state the real anchor price, then the real live price.)

Slide 9 [WHY NOW]

CALL TO ACTION

This price closes when this webinar ends. **(OWNER: state the real deadline and any real spot limit.)**

Go to the link on your screen right now and claim your seat while the door is still open.

Slide 10 [WHAT WE COVERED]

Let me bring it home.

We named who you are, we broke the beliefs holding you back, I handed you the Authority Loop, and I showed you the door. The only thing left is your decision.

36 words · ~17s at 130 wpm

Slide 11 [ONE DECISION AWAY]

HOOK REFRAIN

So I will leave you the way we started.

[PAUSE 2 SECONDS]

You are not behind. You are one decision away. Make it today. I will see you on the inside.
